CALL FOR PAPERS

ICECCE 2024 — Kuala Lumpur - Malaysia

5th International Conference on Electrical, Communication and Computer Engineering

CONFERENCE DATES

30-31st October 2024

SCOPE & INTEREST

- Power Generation Systems
- Modeling and Simulation of Power Systems
- Power System Management Technologies
- Renewable Energy Systems, Technology & Management
- Applications of Power Electronics
- Electrical Machines and Adjustable Speed Drives
- High Voltage Engineering and Insulation Technology
- Artificial Intelligence
- Biomedical Engineering & Systems
- Signal and Image Processing
- Neural Networks and Intelligent Systems

- VLSI and MEMS Design
- Intelligent Industrial Process Control
- Intelligent Robotics and Control
- Satellite and Wireless Communications
- Antennas and Propagation
- Next Generation Mobile Communications
- Optical Communications and Photonics
- RF and Microwave Circuits and Devices
- Wireless/Radio Access Technologies
- Massive MIMO Communication Systems
- Applications of Compressive Sensing Theory
- Cognitive Radar Systems
- Networks and Security

- High Performance Networks and Protocols
- Network Reliability and QoS
- Internet of Things and Big Data
- Software Engineering and Agile Development
- Multimedia and Web Services Agents
- Cloud Computing
- Embedded Systems
- Virtual and Augmented Realities
- Human Computer Interaction
- Context awareness
- Ubiquitous Computing
- Global Software Engineering
- Education & Technologies (E·learning)
- Developments in Aviation Technologies

ABOUT

The "Fifth International Conference on Electrical, Communication and Computer Engineering (ICECCE)" is set to take place on October 30-31, 2024, in a hybrid format, combining both physical and virtual participation. This prestigious event will be hosted in the vibrant city of Kuala Lumpur, Malaysia, and is organized in collaboration with the IEEE Signal Processing Society Malaysia Chapter.

During these two days, the conference will feature distinguished experts who will deliver keynote speeches, contribute valuable lectures, and present posters on topics closely aligned with the conference's themes.

TECHNICAL CO-SPONSOR

IEEE Signal Processing Society Malaysia Chapter

ORGANIZERS

Multimedia University, Malaysia
University Of Buner, Pakistan
